CVPDC'S Board of Commissions Endorsed Proposed Regional Investigation Squad Agreement

Cooperative efforts of the chief law enforcement officers in the Central Virginia Planning District (CVPD) were highly commended by the CVPD's Board of Commissioners when they endorsed a proposed Regional Investigation Squad Agreement at their March 28 meeting.

The purpose of the Squad would be to provide a concentration of manpower in the hours just after a homicide is committed by allowing specially trained officers from each jurisdiction to work full-time on the case.

If implemented by all member jurisdictions of the CVPDC, the Agreement would include officers from the Counties of Amherst, Appomattox, Bedford and Campbell and the Cities of Lynchburg and Bedford. In addition, law enforcement officials from the towns of Altavista, Amherst, Appomattox and Brookneal could participate if they approve the agreement.

The Squad would consist of one or more officers from each law enforcement agency who would receive special training in the investigation of homicides. When a member jurisdiction requested their assistance the Squad would be called in to work full time on the homicide case.

Sheriff Charlie Hodnett of Campbell County, Vice-Chairman of the CVPDC's Criminal Justice Advisory Committee, who presented the proposal to the Commission for endorsement said, "I am very pleased with the Commission's support of our proposal. I think the Agreement is another step forward for the law enforcement agencies of this area because it's important that we work together and share our capabilities."

If the Regional Investigation Squad Agreement is implemented it will be the third such Reciprocal Agreement developed by law enforcement officials of the CVPDC.

Presently, the Central Virginia Planning District is the only planning district in Virginia with a Reciprocal Agreement on the Control of Drugs, a Civil Disorder Control Plan, and a Law Enforcement Manpower Pool Agreement.

In other action taken at the monthly meeting of the CVPDC, authorization was given for the submittal of an application for the Multi-Regional Air Transportation Systems Study.

The study will be a cooperative venture with the New River Valley, Fifth and West Piedmont Planning District Commissions.

The study is intended to develop a plan which would provide information and guidance for governing bodies of cities, counties and towns within the four-district area, including the CVPDC.

It Happened On Palm Sunday

It happened on Palm Sunday, 1865. Confederate General Robert E. Lee rode into the small county seat of Appomattox Court House, Virginia. Here he surrendered his gallant but weary Army of Northern Virginia to General Ulysses S. Grant, United States Army. The country had aged four years since the opening rounds of its "civil war". Now, with the strokes of two men's pens, it would begin a new chapter.

This Saturday, April 6, and Palm Sunday, April 7, the public is especially invited to visit Appomattox Court House National Historical Park. Admission fees to the Park will be suspended for the week end.

"Living History" villagers will relate the surrender events as they remember them and the Emmy Award - winning film, "Surrender at Appomattox", will be shown both days at 10:00 a.m., 2:00 p.m., and 3:30.

One hundred and nine years ago, it happened here - on Palm Sunday.

Sale of Town Tags

Due to a shortage of materials, motor vehicle tags for the Town of Appomattox have not arrived as yet, according to an announcement from W. S. Slagle, Town Manager.

The town tags were scheduled to go on sale Monady, April 1, 1974, and continue through April 31, 1974.

Delivery should be made in the very near future and citizens of the Town of Appomattox will be notified through this newspaper just when they will be on sale. Citizens will have 30 days in which to purchase tags until the new town tags go on sale.

Town officials regret any inconvenience the delay may have caused the citizens of the Town of Appomattox and hope the tags will be available in the near future.

Noonday Worship Set For Holy Week

Christian observance of Holy Week begins with Palm Sunday, April 7th.

Four area churches will worship together during this special week.

Monday, April 8th, through Thursday, April 11th, brief noonday worship will be held at Appomattox Court House Presbyterian Church. Each service will begin at 12:10 and end at 12:30 p.m. For those whose schedule permits, a light luncheon will be available following the service at no cost. These meals are being offered by each of the participating churches.

Good Friday, the day of the Crucifixion, will be observed by the community at St. Anne's Episcopal Church. This three-hour service, from high noon until 3 p.m., commemorates the period Jesus hung on the cross. It is divided into twenty minute segments, so that worshippers may enter and leave as their time allows. No one is expected to remain for the entire time, though this is entirely welcome. The clergy will offer short meditations on the Seven Last Words of Jesus as the service progresses.

The clergy of Memorial United Methodist, Liberty Baptist, Court House Presbyterian, and St. Anne's Episcopal Churches will share responsibilities through the week. Mr. Bowman, Liberty Baptist Church, is scheduled to lead the noonday service on Monday. Mr. Dalton, Appomattox Court House Presbyterian Church, follows on Tuesday. Mr. Peoples, St. Anne's Episcpal Church, on Wednesday, and Mr. Riley, Memorial United Methodist Church, on Thursday. All four men will take part in the Good Friday service at St. Anne's.
